TODAY'S NEWS

EXPANSION OF CAPACITIES

First patients received in facilities of the Belgrade Fair. Among them is a young man of the age of 19. Three sport halls are being prepared for the same purpose.

"CRAZY VIRUS"

Dr George Gao, the director-general of the Chinese Center for Disease Control and Prevention, stated that "this is the first pandemic ever that was not caused by the flu virus". He called this virus "crazy" and "concealed". He claimed that even in China there isn't any collective immunity gained. According to him, the Chinese are "buying time" to create medicine and vaccines for this virus. He stated that the greatest mistake of Europe and the USA is lack of people wearing masks.

ISRAEL

Israeli prime minister, Benjamin Netanyahu, contracted the virus.
